

TEAM ID: PNT2022TMID23050

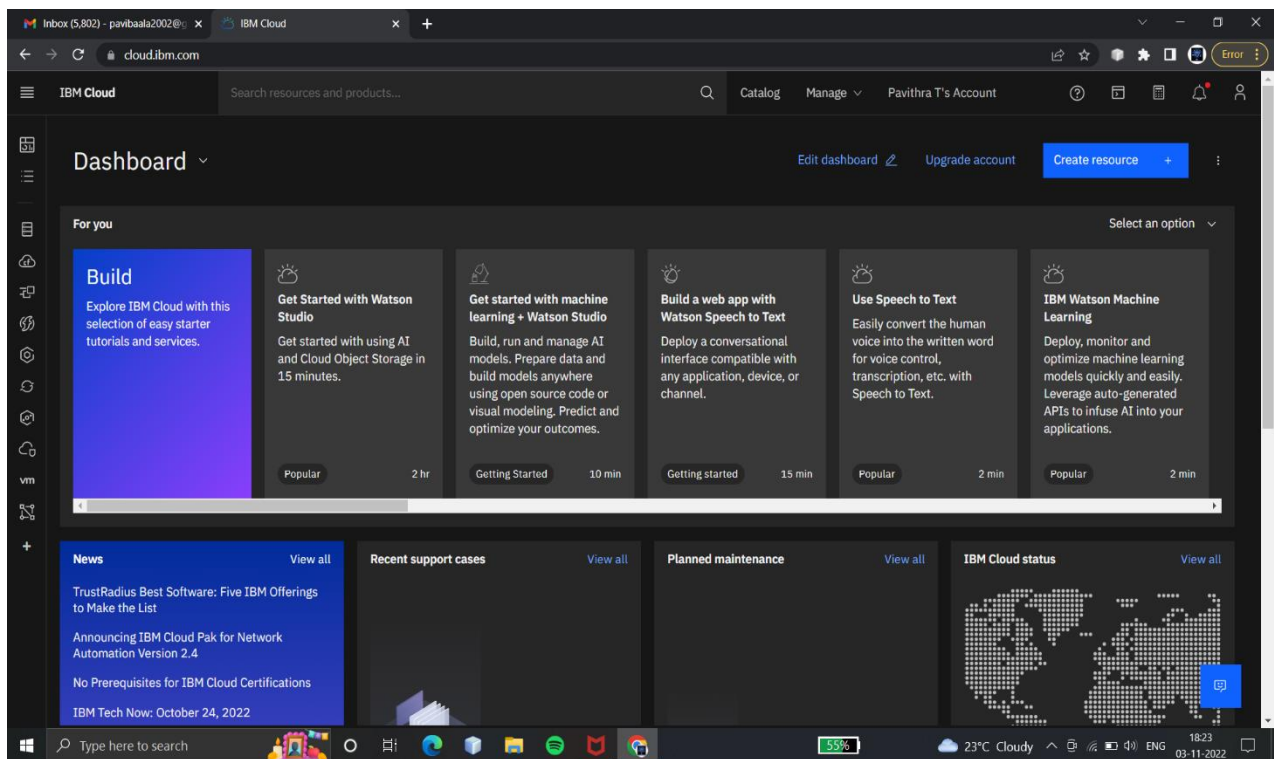

PROJECT NAME: SMART FASHION RECOMMENDER SYSTEM

TEAM LEADER – Sangeetha T

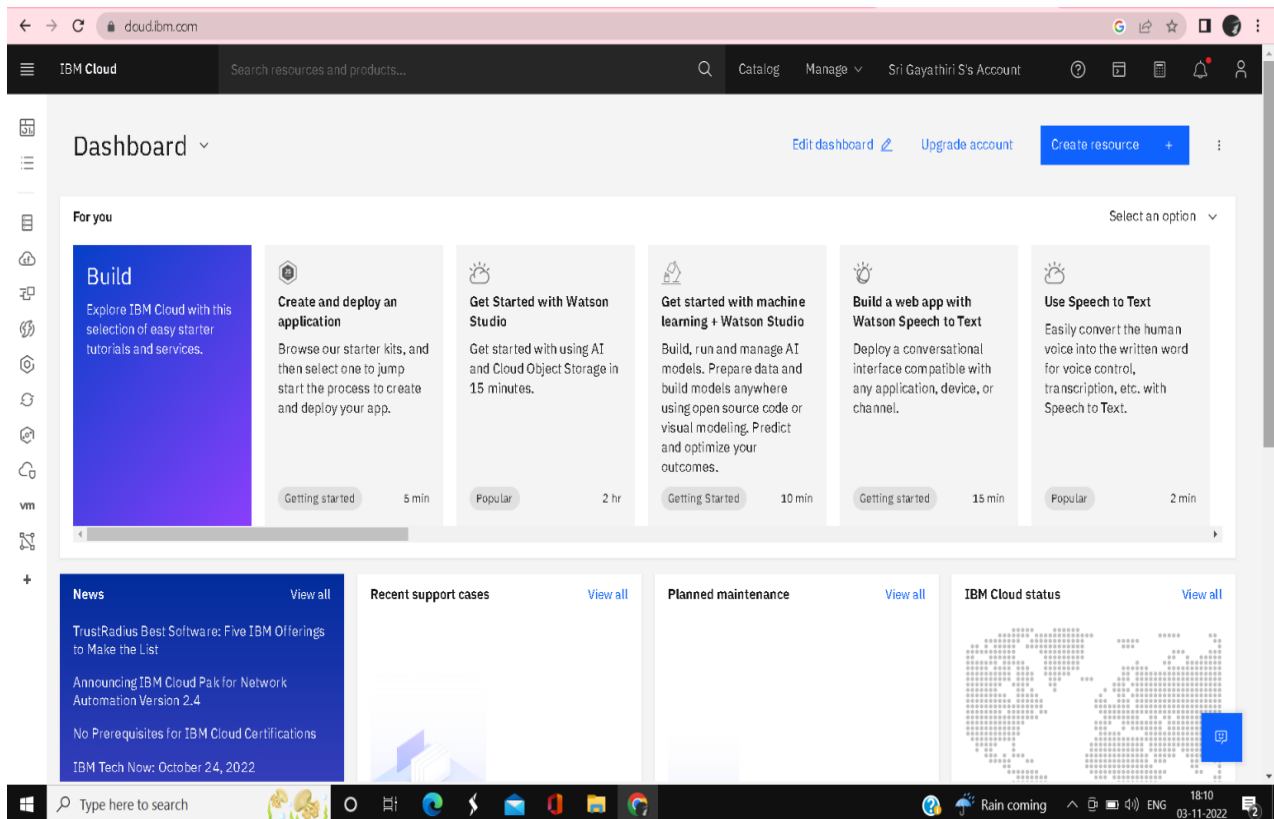

The screenshot displays the IBM Cloud dashboard for the user 'sangeetha tamilaiah's Account'. The dashboard is organized into several sections:

- For you:** A row of eight cards featuring popular IBM services with their respective icons, titles, descriptions, and estimated completion times. The services include: Build (Explore IBM Cloud with this selection of easy starter tutorials and services), Get Started with Watson Studio (Get started with using AI and Cloud Object Storage in 15 minutes), Get started with machine learning + Watson Studio (Build, run and manage AI models. Prepare data and build models anywhere using open source code or visual modeling. Predict and optimize your outcomes), Build a web app with Watson Speech to Text (Deploy a conversational interface compatible with any application, device, or channel), Watson starter kits (Generate cloud-native apps that get you started with popular Watson cloud services, including Watson Assistant), Use Speech to Text (Easily convert the human voice into the written word for voice control, transcription, etc. with Speech to Text), Use Text to Speech (Convert written text into natural-sounding audio in a variety of languages and voices with Text to Speech), and IBM Watson Learning (Deploy optimized models. Leverage APIs to apply).
- News:** A section with a blue background containing three articles: 'TrustRadius Best Software: Five IBM Offerings to Make the List', 'Announcing IBM Cloud Pak for Network Automation Version 2.4', and 'No Prerequisites for IBM Cloud Certifications'. The date 'IBM Tech Now: October 24, 2022' is also displayed.
- Recent support cases:** A section with a light blue background showing a summary of support cases and a link to 'Learn more about how to get support'.
- Planned maintenance:** A section with a light blue background showing a summary of scheduled maintenance events and a link to 'View your scheduled maintenance events here'.
- IBM Cloud status:** A section with a light blue background showing a world map and the status 'No issues' with a green checkmark.
- Usage and User access:** Two sections at the bottom with links to 'View usage' and 'Manage users'.

TEAM MEMBER 1 – Pavithra T

TEAM MEMBER 2 – Sri Gayathiri S

TEAM MEMBER 3 – Yuva Ishwarya P

The screenshot displays the IBM Cloud dashboard interface. At the top, the browser address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'YuvaIshwarya P's Acc...'. The main content area is titled 'Dashboard' and features a 'For you' section with six recommended resources. These include a 'Build' section with a blue background, and five 'Get started' guides for Watson Studio, machine learning with Watson Studio, building a web app with Watson Speech to Text, using Speech to Text, and using Text to Speech. Each guide includes a brief description and a 'Getting Started' button. Below the 'For you' section, there are four panels: 'News' with three articles, 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'.
